

Prompt excerpt

CURRENT MESSAGE (PARAPHRASED): “I want calm background music to help me relax.”

RANKED TRACKS: (1) *Subwoofer Lullaby*—C418 [ambient, instrumental, piano]; (2) *Gravity*—John Mayer [blues, mellow, soothing]; (3) *Care*—Sonder [R&B/Soul].

INSTRUCTION: Write 2–3 conversational sentences; acknowledge the latest message, name the top track with a concrete musical reason, and optionally give an alternative.

Submitted response

“It’s great that you’re prioritizing some downtime; unwinding is essential. I highly recommend starting with *Subwoofer Lullaby* by C418, as its gentle, nostalgic piano melody creates a warm, safe atmosphere perfect for letting your mind drift. If you’d prefer something with a bit more vocal warmth, John Mayer’s *Gravity* offers a soothing, bluesy groove that feels like a slow exhale.”
